Finally, you will check out entering your email and billing information.

IMPORTANT NOTES:

You will receive the receipt and QR at the entered email. It may take a few minutes. Please ensure you check your junk mail.

Each permit is valid for a specific time and date and has a unique QR code.

The QR code must be scanned at entry and exit during its valid period to function properly. Please reference the instructions provided with the QR code for more information.

If a license plate was added incorrectly, please contact Transportation Services (transportation@utoronto.ca) with proof of purchase to have the vehicle corrected Monday – Friday, 8:15am – 5:00pm.
